walter had hoped to enjoy a saturday morning watching his favourite television programmes whilst his mum went shopping all seemed perfect until an unexpected gust of wind spoilt his plans join walter on the mathematical adventure that followed

a captivating absorbing and suspenseful evocation of the spells of childhood in a timeless coming of age tale as charming and haunting as the movie stand by me andrew lovett s everlasting lane tells the story of what happens when nine year old peter s father dies and his mother moves them from the city to a house in the countryside for what seem to peter to be mysterious reasons he s soon distracted though by the difficulties of being the new shy kid at school and he befriends the other two kids who seem to be outcasts overweight tommie and too smart for her own good anna marie together they try to weather the storm of bullying teachers and fellow students by escaping into explorations of the seemingly bucolic countryside there though

they find other outcasts from society such as cranky mr merridew who won't leave his cottage in the woods and scarecrow man who stands in the fields searching the skies and meanwhile peter is disturbed by the growing awareness that his own mother may be some sort of outcast too and that she's hiding something from him in a locked room in the attic a room she's expressly forbidden him from entering written in beautiful prose everlasting lane is a captivating absorbing and suspenseful evocation of the spells of childhood sun soaked nostalgic with the soft focus and warm glow of a polaroid but it's darker than it seems will peter and his mother find the light in that darkness

outdoor learning and play experiences are an essential part of young children's development the importance of offering children first hand experience of the natural world becomes more urgent as research evidence demonstrates the benefits of becoming physically and emotionally involved with the natural world outdoor learning through the seasons shows how we can encourage young children to engage with nature on a daily basis throughout the year using the four seasons as a framework it supports adults to develop their own awareness of the world around them and feel confident about taking children outside every day there are suggestions for caring for gardens and wildlife through the year and ideas to brighten grey winter days enjoy the summer sunshine or explore in the snow now featuring full colour photographs throughout this new edition has been updated to include references to recent research new material on forest schools discussion questions for practitioners and in depth case studies of learning in action features include ideas for all seasons weather conditions and working with the four elements earth air water and fire guidance on fulfilling the learning requirements of eysf and the characteristics of effective learning advice on working with parents and the role of adults practical tips and suggestions of how to make the most of a small space or how to re-plan an existing space useful reference lists of further resources including stories poems and websites this practical book is essential reading for all those looking to provide rich and stimulating outdoor learning and play provision for children in early years settings on a daily basis and for parents and carers wishing to get the most of time outdoors with their children

inspiring ideas to support early maths and literacy takes a play based approach and draws on popular stories and rhymes to cover the key areas of mathematics and literacy full of practical tried and tested ideas for developing understanding in mathematics and literacy this book aims to help practitioners make these areas of learning exciting and meaningful for young children each chapter shows how learning can be reinforced and brought to life through resources made from everyday materials providing children with an enjoyable and positive learning experience key features include clear instructions and full colour photographs on how to make practical resources for indoor and outdoor environments vocabulary lists for inspiration and ideas for developing a new play space or overhauling an existing space key questions to consider when planning and designing an indoor or outdoor play space links to the early years foundation stage that will guide the development of a future playground and challenge providers to enhance their practice this practical resource will be essential reading for primary teachers early years practitioners students and all those interested in developing young children's confidence in mathematics and literacy

the little books series is packed with great ideas to help teach children important early learning concepts
